INTRODUCTORY

N presenting this, the first issue of our complete Jay County Directory, we feel assured that the work has been compiled and arranged in such a careful and thorough manner as to be accorded the commendation of all, and that it will prove an almost indispensable volume to private citizens, as well as to the business and professional men.

We appreciate the impossibility of entirely eliminating all inaccuracies, but have spared no pains to secure the fullest and most accurate information in the compilation of this book.

The patronage and support extended us, as well as the courtesies shown our solicitors, are heartily appreciated.

WE have shoes for everybody and every occasion; shoes for street, dress, reception or outing; shoes for easy fitters and for particular people. With our immense assortment of sizes, styles and leathers, it's an easy matter for us to satisfy the requirements of all, and with each pair of shoes sold goes our guarantee that they are superior in genuine value to any shoe you can buy elsewhere at like price.

¶ We name a few lines of unquestionable merit that we are sole Portland agents for:

"Dr. A. Reed's Cushion Shoes," for men and women; "Walk-Over Shoes," for men; "Crown Prince Shoes," for Boys; The Faultless Fitting "La France Shoe," for women; "Julia Marlowe Shoes," for women; "True Blue \$2.50 Shoe," for women; "Sinbac Shoes," for the children, and "Star Special Shoes," for the family.

These Lines Represent the Best to be Had in America

YOUR BOY'S SHOES

About time he had another pair, isn't it? The last ones did not wear as well as you expected, perhaps. Next time bring the boy to us. Our "ROUGE REX STAR SPECIAL SHOES" wear like iron and keep their good looks all the time. Buggies, Surries, Harness and Bicycles

ALSO TRUNKS AND VALISES

I make a specialty of the above lines and keep a large stock always on hands. I buy buggies in car load lots only, which gives me a price about \$5.00 less than any dealer who buys in small quantities. I also put on my own rubber tires, which gives me another advantage of about \$4.00 in prices over any dealer who has them put on at the factory.

Money to Loan on Farms

REASONS WHY HALL & CUNNINGHAM'S LOAN CONTRACTS ARE BEST.

No Commission is charged. No Recording Fees are charged. No Abstract of Title Fees are charged.

Time of Loan is Ten Years. Payments can be made at **any time and stop interest** on amount paid from date of payment. Interest to be paid at any of our home banks, saving trouble of sending money away from home.

Their loan is a western loan from western sources. Amount of money not limited, oil and gas leases no hindrance to making loans. Money can be had on short notice.

SOME QUESTIONS.

Can you afford to pay commission to get a loan when you can get one without? Can you afford to take a five year loan and run the risk of higher interest rates? Would it not be a great saving to have privilege of payments at any time and stop interest?

We represent twelve of the best Fire and Tornado Insurance companies in the United States, and can write your insurance either on Farm or City Property, at as low rates and as reasonable terms as any agency in the county.

We do a general real estate business and if you have a farm to sell, if you want to buy a farm or if you want to rent a farm call on us.

If you have money you would like to loan on good first mortgage security we can furnish borrowers who will be willing to give you the best security and pay their interest promptly.

We make Deeds, Contracts, Abstracts of Title and all other legal papers usually made by Notary Publics and you will always find a Notary in the office. Call on us when you are needing anything in our line.

A South Bend Watch Frozen in Ice Keeps Perfect Time.

You might freeze a South Bend Watch in ice without affecting its time-keeping qualities in the slightest degree.

They are proof against variations caused by railway travel, horseback riding, automobiling or any of the many jolts and jars and bangs of every-day use.

After we have regulated a South Bend Adjusted Watch to your person, we, and the makers, absolutely guarantee it to be a satisfactory time-keeper. Made in all standard sizes and styles at prices to suit any purse.

We will be pleased to show you our line of these watches and explain to you how, through the wonderful South Bend Balance Wheel, a South Bend Watch adjusts itself to every temperature *automatically*.

—Uniform Quality. Everything the very best of its kind.

The Policy of "Honest Values" is the Foundation Upon Which Our Business is Built.

To descend to misrepresentation of quality or price would be to attack at its very foundation the success of our years of business building.

OUR MOTTO:

The best for the money and the quality is remembered long after the price is forgotten. **WE SOLICIT YOUR BUSINESS.**

THE BIG STORE

Weaver Block.

17 Departments

DUNKIRK, INDIANA.

A Department Store we feel proud of and think this community should likewise feel proud of. This store has done something for the people of this community that every other store in the community has failed to do, and that is to **KEEP QUALITY UP** and to **KEEP PRICE DOWN**.

And the only thing we contribute our success to of keeping the price down is our way of buying and selling for spot cash and our way of doing a large volume of business at a small expense.

Our rents and other expenses are less than half as much as the other big stores here, or anywhere else in this community, pay. That half that we save we give to our customers in keeping the price down.

If you like good stuff at honest low prices confine your trading to this store and save money by it.

Car Fare Refunded to All Out-of-Town Buyers.

Satisfaction guaranteed on all purchases made here or your money refunded.
